

# School Council

Meeting 1 13.10.16

## Agenda

1. What is school council
2. Introduce record books
3. Ideas to discuss in meetings
4. Make name tags

## Minutes

1. We discussed the number of meetings we will have each year and how we need to bring ideas and opinions from our class – not our own ideas
2. The record books will have the agenda in them and teachers will help classes discuss the items. Children will need to bring 2 or 3 things to say from their classes.
3. These are some of the things we will talk about this year:
  - A) What makes a good lesson?
  - B) Is our school safe?
  - C) Rules at lunchtime
  - D) Anti Bullying week – has it made a difference?

We will be doing learning walks and observations to find these things out.

4. Our name tags are displayed on the school council board.
