

School Council Meeting 2 25/11/16

Classes were asked what made a good lesson.

Their answers were:

Teacher	Class	Other
Teacher explaining things well Lessons that are not too hard and not too easy Enthusiastic teacher Humour Challenging work Teachers putting in lots of effort	Look at the teacher (attention) Listening to the teacher Perseverance resilience Everyone understands the LO Maths partnership working	Sporty lessons A chance to practise Talk partners for ideas Good resources to help you be independent Practical lessons Time to master the basics e.g. Times tables Special rewards Lots of drama in literacy

We learn best when:

Behaviour	Environment	Other
No distractions Teamwork Listening and concentrating When you never give up Responsible noise level – working buzz Helping each other at tables Having fun Sensible Interacting with friends	Peaceful with music on Having the correct equipment Organised	Work is at right challenge level Not being under pressure Putting ideas together – making links Asking good questions Understanding When our teacher teaches us because she is funny and kind and can explain things well.

In Term 3, the school council are going to go on some learning walks to look for these things.
