

## School Council 10<sup>th</sup> March

### **1. School Summer Menu**

Sarah Nicholls asked for ideas. The school council said:

- Chicken burger
- Chicken pie
- Hot dogs
- Fajita
- Pasty /sausage roll
- Tacos
- Meat balls and pasta

Sarah discussed the various food standards she needs to cook by. For example, she is not allowed to use chocolate but can use cocoa powder.

We will review menu at next meeting, having spoken to the classes. Reps to bring feedback in green books.

### **2. Feedback from learning walks**

All members thought this was positive. A report is going to be written for the governors and parents to explain our findings.

Writing volunteers to report to Mrs Rawcliffe.
