Agenda

1. Governor's task
2. Notice board

1. We have been asked by the governors to find out what ABHPS children think about our motto 'We Look to the Stars'

We decided to do this by:

- Running a circle time in our classes
- Finding the top 5 suggestions
- Writing them down
- Bringing them to the next meeting on 28/11/17

Everyone thought they could do this and teachers could help with the writing.

2. We are using the same board as last year. Council members need to look at it to see when the next meeting is and any jobs they need to do. Name labels were made and photos will go up soon.
