Agenda

1. Feed back from We Look to the Stars circle time

1. Only 2 classes had not completed the task on time so we had lots of answers to listen to.

The main ideas were:

- Try your best and don't give up, have confidence in yourself
- Positivity – happy people look up
- Aim high and follow your dreams –if you look to the stars you will achieve more.
- Get to the stars on the behaviour chart
- Don't be afraid of challenge
- Dream big

All the answers have been given to the governors to add to their survey.
