

# School Council Term 3 6<sup>th</sup> Feb 2018

*All classes attended apart from Jupiter and Pegasus.*

## 1. Ideas for summer menu

Sarah Nichols, Kitchen manager attended to ask for ideas for a summer menu. 6 classes had not completed this task and therefore could not contribute. Sarah explained that sweets and chocolate could only be used on special days so could not become part of the main menu.

Some of the ideas given were:

**KFC style chicken**

**Wraps**

**Pasties**

**Chilli tacos**

**Sausage rolls**

**Pancakes**

**Noodles**

**Halal meatballs**

**Cheese scotch eggs.**

**Skinny fries**

**Fruit smoothies**

**One cheeky member of staff managed to get their request in for cheese flan every Friday!!**

Watch out for these items in term 5 and 6

## 2. Ruby Power

6.5/10

As we have just completed a bullying survey, the school council were asked about Ruby Power and how we would know the school had strong Ruby Power. They said they following things would tell you:

**If someone falls over they are helped**

**Noticing other people's feelings**

**Smiling**

**No one lonely or on their own**

**Feeling fine with asking friends for help because they will respect you**

**Children 'glowing'.**

We gave the school a rating of how good we think we are at this. The average score out of 10 was 6.5. The council felt that Ruby Power is better in lessons than it is at break time. In their classes it is a few children that are unkind. At lunchtime more arguments happen

We are going to continue to promote the message of Ruby = Safe Kind Respectful – how I am impacts on others. We will score again in T4 and ask our classes
