

## Science

In Science we will be looking at animals and humans. We will be learning about how digestion works and also looking at teeth. Our lessons will help us understand both humans and animals.

## Art

We will be learning about the French artist Henri Rousseau during Term 3 and using his work as a starting point for own piece of art.

## English

We will begin the term by studying a Warning tale. We will use the Talk for writing process to learn and write our own texts. Later in the term, we will be looking at a persuasive text.

## Topic

This term, the children will be learning about habitats and the impact of our modern lives on the world. We will discuss a variety of habitats and investigate why and how we can protect them.

## Term 3: Why should we protect habitats?

## ICT

We will continue our skill development of using Microsoft Word and Powerpoint.

## Maths

We will begin the term by reviewing multiplication and division and then moving on to statistics.

### Notices...

- Tuck money must be brought to school in a named purse/wallet. Alternatively, children may bring in a piece of fruit to have at playtimes.
- Outside PE will be on **Thursday**.
- Inside PE will be on **Tuesday**.
