Head Teacher: Mr. T Browse

24th March 2020

Dear parents,

I am sure you are all aware of the additional measures put in place by the government as of yesterday evening. Now, more than ever, it is important for everyone to stay at home whenever they can.

These measure are in place for at least three weeks. As you know, a very small number of children continue to attend Air Balloon as we support key workers carry out their vital duties to support the country. Even then, it is so important that, wherever possible, children stay at home and do not come to school. I am very grateful to those parents who have let us know that they no longer need their child to attend school and I would urge all key workers to continue to do this.

In other news...we have YouTube! Air Balloon Hill Primary School now has its very own channel and we will be using this to share information, assemblies and stories that can be enjoyed all members of our community. You can see a short video introduction by clicking [here](#). Please do subscribe as then you will be alerted when new videos are posted. Tomorrow, at around 2:30pm, a story time video will be premiered (as long as I have set it up right) meaning that we can all enjoy a shared experience at 2:45pm when the children in school will be settling down to watch me read one of my favourite children's stories, appropriately entitled 'story time'.

I hope you enjoy it and I am looking forward to the school building its YouTube video collection as we seek to stay connected during this time apart.

Please continue to take care of yourselves and each other.

Yours sincerely,

Tim Browse
