Dear parents,

You may be aware that the government has instructed all schools to close as of Friday afternoon.

This will mean, for the vast majority of children, that they will need to remain at home from Monday onwards. As you know, we are setting up systems to support children's learning at home and we will be providing you with more details on what this will look like later on in the week.

The school will be looking to remain open for some children. I will write to you tomorrow with more information on this and clarify how the school will be managing this development.

I'm sure we can all agree that this is a challenging situation for all of us but the community's patience and understanding has really been a support to all of us who work at the school. So, thank you!

I will write to you all again tomorrow.

Yours sincerely,

A handwritten signature in black ink that reads 'Tim Browse'.
