Head Teacher: Mr. T Browse

We look to the stars...

27th April 2020

Dear Parent/Carer

As part of our ongoing distance learning, we will be using a system called Bug Club which is an online literacy program which supports reading for primary students.

Your child has been set up with an account which they can access online at:

<https://www.activelearnprimary.co.uk/login?c=0>

The login details they need are included in the email from the class teacher.

To help you access the relevant information, we have put together a short guide which you can find at the end of this letter, however, if you have any questions about Bug Club or the work set, please speak to your child's teacher during your weekly phonecall or email any questions or queries to the school and we will forward them on to the class teacher. The school email address is airballoonhillp@bristol-schools.uk.

Yours sincerely

Mrs Hennessy

Pupil and parent guide to Bug club

Step 1

Link to website: <https://www.activelearnprimary.co.uk/login?c=0>

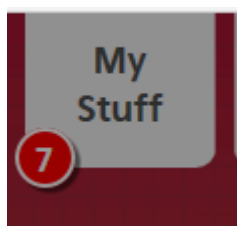

Click Log in and enter the log in details sent to you.

Step 2

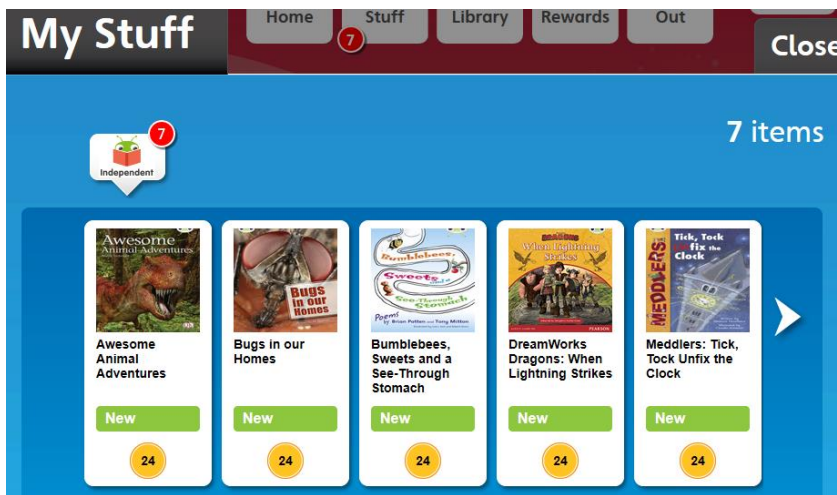

Step 3

Click on

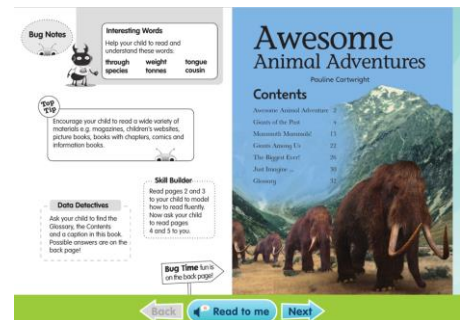

You will see this screen:

Your teacher will have assigned you some books. Click on the book you want to read:

Follow the instructions to read the book all the way through at least once.

Once you have read the book you can answer some questions. If you see one of these, click on it to get a question about what you have read. Read the text again carefully before answering. Your teacher will be able to see your answers.

There is more detailed information for parents here:
