Newsletter 17

21st January 2022

In this week's newsletter:

- * Message from our Governors
- * Community Clinics for Flu Immunisation Programme
- * Face Masks
- * Employment Opportunities at Air Balloon Hill Primary School
- * Term Dates and Inset Days
- * Acceptable Break Time Snacks
- * Lunch Bands

Hello,

Today's newsletter comes from our governors. To introduce myself, my name is Kayley, and I am the Link Governor for Early Years and a Parent Communications Committee member.

Last week, Mr Browse hosted a parent presentation evening and I am so glad to report that we had fantastic engagement from attendees. A recording of the presentation is available to watch on the school YouTube channel. You can view it by clicking [here](#). In the description of the video there is also a link to the Q&A session. You can also access the Q&A transcript by clicking [here](#).

In addition to talking through the school visions, values and future, Mr Browse announced the launch of the parent focus groups that we have planned for this year. To help move forward on issues including equalities, diversity, bullying and online safety, we really want to work with parents and carers to find out what our school community understands, has experienced and would like to see in place across all these areas. To find out more about the parent focus groups, you can watch a video about it on our school YouTube channel by clicking [here](#).

If you would like to register an interest in getting involved with any (or all!) of these groups, please let us know [here](#). A link to this survey can also be found in the description of the parent focus group video.

This won't be the last time that I, or other governors, communicate with you through the newsletter so do keep a look out to find out how the governors are supporting the school community and any events that they are carrying out where we would welcome parent and carer support.

I look forward to speaking and chatting with you soon and I hope you enjoy your weekend.

Thank you,

Kay

Flu Vaccines

The Community Children's Health Partnership are running community catch-up clinics for children from Reception – Year 11 who, for any reason, were unable to receive their flu vaccine in school.

Community Children's
Health Partnership

If you have not already completed a consent form for your child to receive the flu vaccine please do so following the consent link below

<https://imms.sirona-cic.org.uk/flu/2021/consent>

How to book an appointment

Once you have completed a consent form you can click on the link below to make an appointment for your child to receive the Flu vaccine at one of the community based clinics

<https://imms.sirona-cic.org.uk/flu/2021/bookflu>

Masks

Please can we remind parents/carers that masks **must** be worn when you are on the school site, even in the playgrounds, as social distancing cannot always be maintained. We will update our guidance on this and our Covid risk assessment when we receive further advice from the Department of Education.
