

Pupil Premium Strategy Statement Air Balloon Hill Primary School

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Air Balloon Hill Primary School
Number of pupils in school	733
Proportion (%) of pupil premium eligible pupils	26%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021-2022
Date this statement was published	December 2021
Date on which it will be reviewed	December 2022
Statement authorised by	Tim Browse Head teacher
Pupil premium lead	Julie Liley Deputy Head teacher
Governor / Trustee lead	Sarah Mather lead governor for disadvantaged pupils

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£238,065.00
Recovery premium funding allocation this academic year	£25,665
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0.00
Total budget for this academic year	£263,730

If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year

Part A: Pupil premium strategy plan

Statement of intent

When making decisions about using Pupil Premium funding it is important to consider the context of the school and the subsequent challenges faced. This alongside research conducted by the EEF. Common barriers to learning for disadvantaged children can be: less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no “one size fits all”.

Through our senior and middle leadership structure, we will ensure that all teaching staff are involved in the analysis of data and identification of pupils, so that they are fully aware of strengths and weaknesses across the school.

Principles

- We ensure that teaching and learning opportunities meet the needs of all the pupils
 - We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
 - In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
 - We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
 - Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time

Contextual Information

Air Balloon Hill Primary School is a community school located in East Bristol. It is 4 form entry school from R- Year 6 with the exception of year 3 which is 3 form entry. The following information is taken from Ofsted’s Primary Inspection Data Summary Report:

Ethnicity Guidance ■ This school has 15 out of 17 possible ethnic groups. The top 5 representing 5% or more are: – 64%: White - British – 8%: Black or Black

British - African – 6%: White - Any other White background – 5%: Mixed - White and Black Caribbean

Local area Guidance

- The school location deprivation indicator was in quintile 3 (average) of all schools.
- The pupil base is in quintile 4 (more deprived) of all schools in terms of deprivation.

Ultimate Objectives

- To narrow the attainment gap between disadvantaged and non-disadvantaged pupils nationally and also within internal school data.
- For all disadvantaged pupils in school to exceed nationally expected progress rates in order to reach Age Related Expectation at the end of Year 6 and thus achieve GCSE's in English and Maths.

Achieving These Objectives

The range of provision the Governors consider making for this group include and would not be limited to:

- 1-1 support from trained practitioners
 - Use of the tutors through the National tutoring programme
- Additional teaching and learning opportunities provided through trained LSAs or external agencies using evidence based interventions
 - All our work through the pupil premium will be aimed at accelerating progress, moving children towards at least age-related expectations.
 - Pupil premium resources are to be used to target able children on Free School Meals to achieve Age Related Expectations
 - Transition from primary to secondary and transition internally and into EYFS.
 - Subsidise educational visits. Ensuring children have first-hand experiences to use in their learning in the classroom.
 - To extend PE provision by providing extra curricular activities for PP children.
 - To allow the children to learn a musical instrument (Children in care)
- Behaviour and nurture support from pastoral team during lunchtimes by providing activities to engage and promote Air Balloon Hill Primary values
 - Improve attendance through deployment of administrative and pastoral staff
 - Support parents of disadvantaged children through family support worker
- This list is not exhaustive and will change according to the needs and support our socially disadvantaged pupils require.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Slow progress made by pupil premium children in all areas of the curriculum. Pupils falling behind in all areas of core subjects
2	Poor communication and language skills of reception children on entry
3	Pupils and families have a lack of aspirations for their futures, reducing motivation and commitment to learning
4	Pupils and their families have social & emotional difficulties, including medical and mental health issues
5	Pupils have limited experiences beyond their home life and immediate community
6	Low attendance and persistent absenteeism for pupil premium children

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Reading progress	Pupils are making progress within their formative assessment which feeds into the summative assessment and they are moving closer to the expected standard or above.
Writing Progress	Pupils are making progress within their formative assessment which feeds into the summative assessment and they are moving closer to the expected standard or above.
Maths Progress	Pupils are making progress within their formative assessment which feeds into the summative assessment and they are moving closer to the expected standard or above.
Phonics Progress development of sound knowledge to catch up with peers and achieve age related expectations	Pupils are making progress within their formative assessment which feeds into the summative assessment and they are moving closer to the expected standard or above.
S and L progress	90% of 'on track' pupils are on track by the end of Reception.

<p>Families we are working with who are experiencing mental health and wellbeing issues are more stable and pupils attendance improves and relationships strengthen within the school</p>	<p>Improvement in pupils' attendance. Behaviour incidents are reduced and attitudes to learning improve.</p>
<p>More PP children are able to access later years a range of experiences beyond their home life. This will improve their aspirations for</p>	<p>Increased percentage of PP children who access extra curricular clubs</p>
<p>Attendance outcomes improve and persistent absenteeism is reduced</p>	<p>Attendance of PP children is above (92%)</p>

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost : £123,719

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Evidence based CPD for learning Support assistants and teaching staff (release time) (1,000)</i>	Training disseminated from PP conference Sally Franklin & the DELTA project	1
<i>Bespoke workshops implemented by Standards Leaders (release time). (2,000)</i>	Performance management schedule which involves staff identifying areas of their practice they need to develop in order to achieve goal of narrowing the attainment gap between PP and non PP pupils. Through evaluation these gaps have been identified and teacher's practice has been developed.	1
<i>Mantle of the expert (£933)</i>	Tim Taylor accredited trainer and publisher EEF Improving behaviour in schools (d2tic4wvo1iusb.cloudfront.net) KS1 <ul style="list-style-type: none"> • Language provides the foundation of thinking and learning and should be prioritised. • High quality adultchild interactions are important and sometimes described as talking with children rather than just talking to children. KS2 <ul style="list-style-type: none"> • Purposeful speaking and listening activities support pupils' language development. Purposeful activities include: — collaborative learning activities where pupils can share their thought processes; — reading books aloud and discussing them, including use of structured questioning; and — pupils articulating their ideas verbally before writing. • Promote high quality dialogue in the classroom, between the teacher and the pupils and between pupils, to support pupils to develop their thinking and use of language. • Extend pupils' vocabulary 	5

	<p>by explicitly teaching new words, providing repeated exposure to new words, and providing opportunities for pupils to use new words</p> <p>EEF-KS2-lit-2nd-Recommendations-poster.pdf (d2tic4wvo1iusb.cloudfront.net)</p> <p>Reviews – A Beginner's Guide to Mantle of the Expert (beginnersguidetomantleoftheexpert.co.uk)</p>

<p><i>HLTA reading 27,680</i></p>	<p>Book Buddies:</p> <p>Higher Level Teaching Assistant to train and co-ordinate reading buddies to work with pupil premium children to make sure they reach their targets and make good progress in reading.</p> <p>Y3 additional phonics groups to support those falling behind.</p> <p>1:1 intervention has a positive impact As identified in EEF</p>	1
<p><i>Year 1 LSAs 53944</i></p>	<p>Targeted 1;1 and small group support focusing upon reading, writing and mathematics skills within lessons and additionally providing 'Keep up' pupils.</p> <p>Phonics Toolkit Strand Education Endowment Foundation EEF</p>	1,2,3
<p><i>Early Years Practitioners 35280</i></p>	<p>Reduced class size for teaching input to enable more support to be given to vulnerable learners. Catchup 1:1 and group sessions within the class and supported quality interactions with adults in the classroom. Delivery of Speech and language program to identified children.</p>	1,2,3
<p><i>Academic mentor 1882</i></p>	<p><i>payment to support disadvantaged learners</i></p> <p>Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind, both one-to-one and also 1 to three.</p> <p>One to one tuition EEF (educationendowmentfoundation.org.uk)</p> <p>And in small groups:</p>	

[Small group tuition | Toolkit Strand | Education Endowment Foundation | EEF](#)

Targeted academic support (for example, tutoring, one-to-one support structured interventions Budgeted cost £ 70160

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>1:3 tutoring in, writing, reading 31000</p>	<p>Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind, both one-to-one and also 1 to three.</p> <p>One to one tuition EEF (educationendowmentfoundation.org.uk)</p> <p>And in small groups: Small group tuition Toolkit Strand Education Endowment Foundation EEF</p>	<p>1</p>
<p>1:1 Phonic tutoring 3744</p>	<p>Phonics approaches have a strong evidence base indicating a positive impact on pupils, particularly from disadvantaged backgrounds. Targeted phonics interventions have been shown to be more effective when delivered as regular sessions e will adapt this work over 9</p> <p>Phonics Toolkit Strand Education Endowment Foundation EEF</p>	<p>1</p>
<p>Precision teaching 1:1 intervention bespoke to CYP need 14,652</p>	<p>Precision teaching is well researched in to impact it has on the acquisition of Early Reading Skills. It is bespoke, 1:1 and focus on the specific pupil's needs.</p> <p>Microsoft Word - CS1Murton15-18 (ucl.ac.uk)</p>	<p>1</p>
<p>Maths Counts 13,843</p>	<p>Bespoke maths input will improve pupils' ability to master fluency. Diagnostic assessments feed into the planning for the pupils to move forward their learning.</p> <p>The IXL Real-Time Diagnostic</p>	<p>1</p>
<p>Speech & Language intervention to support the speaking and understanding of pupils within the Early Year 6921</p>	<p>Oral language interventions can have a positive impact on pupils' language skills. Approaches that focus on speaking, listening and a combination of the two show positive impacts on attainment:</p>	<p>2 and 1</p>

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 77886

Activity	Evidence that supports this approach	Challenge number (s) addressed
<i>Subsidising school trips</i> 2000	By exposing pupils to a range of activities which enhance the curriculum and broaden pupil horizons and aspirations.	3,5
<i>Art Therapist counselling</i> £23,400	Pupils have a safe place to talk through specific trauma and develop strategies to manage their emotional responses. Mental health wellbeing is vital to improve pupils life chances for their future. Advice template (publishing.service.gov.uk)	4
<i>Child support worker</i> 28,219	There is extensive evidence associating childhood social and emotional skills with improved outcomes at school and in later life (e.g., improved academic performance, attitudes, behaviour and relationships with peers): EEF Social and Emotional Learning.pdf(educationendowmentfoundation.org.uk)	3,4
<i>Family support worker</i> 17,067	Target families regrading emotional and social support for hard to reach families. Support with attendance in addition to other issues and safeguarding	4,6
<i>Attendance administrator</i> 4,500	Embedding principles of good practice set out in the DfE's Improving School Attendance advice. Monitoring of attendance	6
<i>Supported play</i> 2700	Developing relationships with peers, playskills and conflict resolution are all important aspects of developing the whole child. For some of our pupils with significant challenges additional support is required to e enable children to develop these skills. Improving the social and emotional interactions of pupils during unstructured times. EEF Social and Emotional Learning.pdf(educationendowmentfoundation.org.uk)	1,4

Total budgeted cost: £ 271765

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

See 20-21 review file

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
Neli Project	Nuffield
Speech and language	NHS

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	N/A
What was the impact of that spending on service pupil premium eligible pupils?	

Further information (optional)

Pupil premium pupils are a key focus within our pupil progress meetings and our monitoring and evaluation cycles. This includes moderation and teacher conferencing. During our deep dives into specific subject areas these pupils are specific focus children to see how they are learning and responding to lessons and feedback from the teacher.

Additionally, we have employed 2 academic mentors who are support a large percentage of our PP children. They will be working in the same way as the tutors. Delivering bespoke lessons to fill the learning gaps stemming from the impact of the Covid pandemic.

Also as a school we are engaging with the school led tutoring program which is being utilised to deliver bespoke lessons to year 3- 6 children in maths and writing.
