WORLD BOOK DAY®

Changing lives through a love of books and shared reading.

SPONSORED BY NATIONAL BOOK tokens

Parents/ Carers and Air Balloon Community, who was your favourite author growing up?

We would love our Air Balloon Community to get involved with World Book Day. This year World Book day is celebrating 25 Year of changing lives through a love of books and shared reading.

We would love to hear what your favourite book was when you were at Primary school? Please use the template to write/draw or if you're feeling creative a poem even, telling us about your favourite book.

Please return it to school ready for our World Book Day display.
