Reminder

Monday (Monday 9th January) is an Inset Day...school is closed to pupils.

Newsletter 15 6th January 2023

In this week's newsletter:

- * Message from Mr Browse
- * Lost Property
- * Medical Conditions
- * Water bottles
- * Message from Big Garden Birdwatch

Hello,

Welcome to the new school term and, of course, a happy New Year to everyone. I hope you all managed to enjoy the Christmas holiday. I know (from unpleasant personal experience) that there were lots of colds and flu going around but I hope that nobody's festive plans were disrupted too badly.

It has been lovely to welcome the children back to school and to catch-up with them. The classrooms are already focused and busy with the new Inquiry Projects that have started this term and I look forward to seeing how these develop as the term continues.

I would also like to welcome a new member of our office team following Mrs Gladden's retirement. Mrs Johnston has joined Air Balloon and is our new Financial Administration Assistant. She will be working closely with our School Business Manager but some of you will undoubtedly meet her if coming to the office for one reason or the other. I am sure that she will be made to feel very welcome by the Air Balloon community and I hope she's enjoyed her first week at school.

I hope you all enjoy your weekend and I will see you all on Tuesday – don't forget that Monday is an inset day!

Thank you,
Tim Browse

Lost Property

Kaian in Earth class has lost his black and gold scooter. If found, please return to the school office to be returned to class.

Medical Conditions

If your child develops a new medical condition or has a change in their current one, please make sure the school is updated as soon as possible. You can do this by emailing us - airballoonhillp@bristol-schools.uk or by speaking to the office or welfare room staff.

Water bottles

A reminder that children are encouraged to bring water bottles into school to stay hydrated during the school day.

Message from Big Garden Birdwatch

The Big Garden Birdwatch is getting closer. The start of the UK's biggest citizen science wildlife survey is on January 27-29, but there's still plenty of time to [sign up](#) now and get your free guide.

Everyone who takes part plays an important role in helping track how birds are faring. So, if you've made a resolution to take more action for nature this year, Birdwatch is a great way to start. For more information of how to take part please click [here](#)

New Year, New Me....

STARTS Tuesday 10th January – 7th February

9:30AM—11:30AM

St Anne's Park Children's Centre

Start the New Year off by making some time for you. Join Catherine on Tuesday's and enjoy a range of health, wellbeing and crafting activities such as making aromatherapy bath salts and other crafts, mindfulness diaries and nutrition. All resources are provided and places are allocated on a first come basis.

Please contact: Catherine Landon Phone: 07785 702454

Eligibility: Adults aged 19+ with few or no qualifications
